

The diagram illustrates a transformation between two states. On the left, a white rectangular box with a black border contains the word "Text". This box is positioned on top of a dark gray L-shaped base. To the right of this box is a large, hollow, black-outlined double-headed arrow pointing both left and right. On the right side of the arrow is another identical white rectangular box with a black border, also containing the word "Text", which is similarly placed on a dark gray L-shaped base.
