SIMS EUROSIM 2024

SIMS EUROSIM Conference on Modelling and Simulation

Dear friends and partners,

It is our great pleasure to invite you to join us at the Second SIMS EUROSIM Conference on Modelling and Simulation, SIMS EUROSIM 2024, which will take place on 11 - 12 September 2024 in Oulu, Finland. The background of this conference series is in the 65-years history of Scandinavian Simulation Society, SIMS. The conference will be organized every third year by SIMS and the Federation of European Simulation Societies, EUROSIM. The 65th International Conference of Scandinavian Simulation Society (SIMS 2024) is embedded with this first conference organized by SIMS, EUROSIM, the Finnish Automation Forum (FinSim), the Finnish Society of Automation (FSA) and University of Oulu. The Original Sokos Hotel Arina Conference Center in the middle of the city serves as the venue.

The SIMS EUROSIM 2024 provides a forum where automation professionals from industry and science exchange knowledge, experiences and strengthen multidisciplinary network. On the stage visions are presented and shared with old and new colleagues. The SIMS EUROSIM 2024 is expected to participants worldwide in the field of modelling and simulation. The EUROSIM 2016 Congress in Oulu had almost 200 participants from 33 countries. The program of the congress has a multi-conference structure with several special topics related to methodologies and application areas. The programme includes invited talks, parallel, special, poster and pitch sessions, tutorials, exhibition and versatile technical tours.

We are inviting you to submit your contribution to the high standard international simulation conference.

Please visit <https://www.scansims.org/> and www.automaatioseura.fi/simseurosims2024 for further information.

We are looking forward to meeting you in Oulu 2024!

Jari Ruuska, SIMS EUROSIM 2024 Chair,
Esko Juuso, IPC Chair

IMPORTANT DATES

Thematic session proposals

Proposals with session abstracts March 3, 2024
Notification of acceptance March 10, 2024

Full Scientific and Industrial Contributions

Short abstracts April 22 2024
Notification of acceptance April 27, 2024
Draft full paper submission May 22 2024
Notification of acceptance June 28, 2024
Final camera-ready manuscripts August 18, 2024

Discussion and Student Contributions

Short abstracts May 19, 2024
Notification of acceptance May 27, 2024
Draft short paper submission June 16, 2024
Notification of acceptance August 11, 2024
Final camera-ready short papers August 25, 2024

Industrial Extended Abstract Contributions

Short abstracts June 20, 2024
Notification of acceptance June 30, 2024
Draft extended abstracts August 4, 2024
Notification of acceptance August 11, 2024
Final Extended Abstracts August 25, 2024

Author (early) registration June 30, 2024

Author (normal) registration August 22, 2024

SIMS EUROSIM Conference September 11-12, 2024
